

**Midwest Highway-Rail Grade Crossing Training Seminar
Radisson Hotel & Conf. Center-Green Bay, WI
May 15-18, 2005**

To All Potential Exhibitors:

The 2005 Midwest Highway/Rail Seminar and Training will be held at the Radisson Hotel & Conference Center in Green Bay near the Airport. The exhibit area will be open from 7 am on May 16th through noon on May 18th. The exhibit area will be available for setup starting the afternoon of May 15th. Several functions will be held in and around the exhibit area including a continental breakfast each morning, and four coffee breaks.

The rate for the exhibit area will be \$400 per table, which includes one complementary registration (a \$125 value). One six-foot table is provided in each space. Exhibitors needing a larger area should reserve two spaces so as not to encroach on neighboring exhibitors.

The Midwest Seminar is recognized as one of the largest, best attended and best organized of all the regional grade crossing meetings in the US. The spaces were sold out in advance of last year's seminar; so don't be left out by procrastinating.

You can reserve your space on a temporary basis by contacting Vince Burget at vburget@kctera.net or by calling him at 816-554-3882. Once you have made your reservation you will have 30 days to remit the funds or your reservation is cancelled.
